Cancellation & Refund Policy for USA Volleyball

USA Volleyball national registration fees are managed separately from regional membership fees. A request for USA Volleyball registration cancellation and possible refund of fees must be submitted through a Regional Volleyball Association (RVA) on behalf of an individual.

Cancellation

USA Volleyball recognizes two categories of memberships in accordance with the USA Volleyball Membership Categories Document.

Full memberships may be eligible to receive a refund of national registration fees. Cancellation requests must be received within 45 days of purchase.

Limited memberships are not eligible to receive a refund of national registration fees, insurance or processing fees.

USA Volleyball will only consider its refund if the RVA provided the individual a full refund on region membership fees. The following guidelines will be used in the calculation of a refund amount.

IF

Individual participated in USA Volleyball sanctioned program or event

THEN

National registration fees refunded less insurance and credit card processing fees

IF

Individual did NOT participate in any USA Volleyball sanctioned program or event

THEN

Full refund of all fees

No refunds will be issued when an entire USA Volleyball membership season and/or any portion thereof is canceled or interrupted for any reason.

Other USA Volleyball sanctioned programs and events may utilize different cancellation policies. Please read individual USA Volleyball programs or event information thoroughly.

USA Volleyball reserves the right to make exceptions to their refund policy at its sole discretion.
