

# GREAT LAKES REGION OF USA VOLLEYBALL OFFICIALS

Welcome to the Great Lakes Region of USA Volleyball.

Congratulations! You have started the process to become a part of a national organization that supports volleyball at all levels, including our most recent Olympics and ParaOlympics.

Once you obtain your new JR REFEREE RATING, you will be able to officiate at our WINDY CITY POWERLEAGUE EVENTS.

Do you already have a Great Lakes Region membership? If so, make sure that you have a membership that includes Safesport. If not, contact the Great Lakes Office at (630)-986-9000

If you are 18 or over, you will need a background screen. If you turn 18 during the season, you have 30 days from your birthday to obtain a background screen.

Once you have received your Jr Official certification, you can move up to a Provisional certification by working events and gaining experience.

A Provisional rating will require some additional training and an on-court evaluation.
